From M4 (approx 3 miles – under 10 minutes)

Exit junction 46 north toward FELINDRE

Passing the new Felindre Business Park follow the country road to Felindre for 2 miles

Entering the village go down the steep hill and turn right at the bottom, just past the long grey mill house, toward AMMANFORD and GARNSWLLT

Almost immediately turn sharp right again, opposite the bright yellow house, into Heol Myddfai up past the chapel, pub and village school on your right

50 yards beyond the school turn LEFT into our private lane (just past the last house on the left – before the fields). It is signposted Ty Blaenant Ddu.

After half a mile follow the road round to the left, rather than taking the steep concrete drive up to the farmhouse (Ty Blaenant Ddu). The car park is in front of the lakeside buildings. Enjoy the view!

Sat Nav and Multi-map – will take you as far as Heol Myddfai but not direct you to Ty Blaenant Ddu and The Waterside so look for the private lane at the end of the houses on the left hand side. If you continue up Heol Myddfai until there are no more houses on the left and are driving past fields you have gone too far and may have difficulty in turning around!
